

## Mailing / Fulfillment Solutions - Solutions for Inkjet & Tabber Systems

### Inkjet Feeder Series - 1200/1500/1800IJ

#### Overview

*Providing you immediate opportunity for incorporating added value services*

The InkJet Feeder features a Belt System that is specially formulated to reduce glazing which allows consistent feeding, higher throughput and a faster Return on Investment (ROI). The IJ models come standard with the Patented Dynamic Rotation Technology and heavy-duty 1/4" thick powder coated side frames, small product guides and variable speed control.

#### Standard Features

- Minimal set-up time • Operator friendly • Consistent feeding • Integrates easily to existing work cells • Quick ROI • Dry contact external run
- Dynamic Rotation Technology®
- 1500IJ is TUV Certified 

#### Options

- VPS mounting stand • Cabinet stand
