

575ITO

**COMMERCIAL
INLINE
TURNOVER**

Don't take your product off-line just to run the other side. The 575ITO offers a simple solution to dual sided applications. This machine easily flips medium to smaller piece sizes without any set-up - just run the product down the middle of the belts. Robust construction and easy belt change will minimize maintenance downtime

Features:

- Quick and Easy Setup
- Non-Proprietary Components
- Variable Speed Transport
- 2.250" Wide Turnover Belts

Uncompromising Drivetrain:

- Large Diameter Steel Shafts
- Steel Drive Pulleys
- Steel Rollers
- Sealed Shaft Locking Collar Bearings
